

# Secondary Guidance Counselors

**MATHEMATICS ON THE ROAD EXPERIENCE**

[www.math.iastate.edu/MORE2009/home.html](http://www.math.iastate.edu/MORE2009/home.html)

Too many Iowa students struggle with the transition from high school to university mathematics study. Transition difficulties affect decisions about courses, majors and even careers.

*We can help you help your students.*

Tuesday, June 9  
Noon to 4:00 p.m.  
Carver Hall on the ISU  
campus in Ames

To register, email your name and school district to [tuttle@iastate.edu](mailto:tuttle@iastate.edu) by Tuesday, June 2.

Iowa secondary guidance counselors are invited to an informational program discussing transition management (for the study of mathematics and requirements for other majors), the Iowa Mathematics Core Curriculum and the Iowa Mathematics Transition Guide.

Participants will receive:

- Stipend of \$50
- Travel reimbursed at \$.285/mile
- Noon and evening meals
- *Iowa High Schools-to-Regent Universities Mathematics Transition Guide*

“Finishing a course beyond the level of Algebra 2 (for example, trigonometry or pre-calculus) more than doubles the odds that a student who enters postsecondary education will complete a bachelor’s degree.” (Adelman 1999)

Hosted by Iowa State University Department of Mathematics and the Iowa Math and Science Education Partnership

Must have minimum of 2 participants (secondary guidance counselors) from each AEA to hold program.
