

**Department of Mathematics
Iowa State University**

Position Advertisement

Assistant Professor in Mathematics (tenure track)

The Department of Mathematics at Iowa State University is seeking a junior faculty member for a position starting August 15, 2009, subject to availability of funds. The Department encourages strong candidates from all areas of mathematics to apply. Special attention will be given to applicants in areas that support current research strength in the Department and interdisciplinary efforts, such as computational mathematics. For further information about the department, please visit our website at <http://www.math.iastate.edu>.

The new faculty member is expected to have a PhD in mathematics or a related field by the start date of employment, to show outstanding research potential and to have teaching experience at the undergraduate level. Postdoctoral experience is desirable.

Application Instructions:

Submit the following with position number 080700 included on application materials:

- AMS Cover Sheet
- Vita
- Brief statements describing their teaching and scholarly accomplishments and plans
- Four (4) letters of recommendation (at least one of which should address the candidate's teaching abilities).

All required materials may be emailed as attachments to mathsearch@iastate.edu or may be mailed to:

ISU Mathematics Faculty Search
Department of Mathematics
396 Carver Hall
Ames, IA 50011-2064

Applications can also be submitted through mathjobs.org.

To assure full consideration, applications and supporting materials should be received by November 1, 2008, though we will continue to accept applications until the position is filled.

Iowa State University is an affirmative action/equal opportunity employer and strongly encourages women and members of underrepresented groups to apply.
